What Is A Vixen?

Vixen is the name given to the female fox of the genus *Vulpes*. Physically, a vixen has a long, pointed nose, large, furry, triangular ears, and a full, bushy tail. Its red, black, or silver fur is among the most beautiful known. But her physical attributes are secondary to her other traits - speed, agility, and cunning.

The vixen is traditionally praised in legends and fables for her gracefulness and intelligence

ACTIVITIES

Villa On The Move

The year began at Villa with Student and Residence Councils moving in the new recruits. As the Freshmen descended upon the campus the girls plus one, carefully moved all their treasures into their new home away from home. No matter how large or small the chore, the Villa movers enthusiastically "jumped" to accomplish the task. Later that day, the movers and their new friends gathered for an enjoyable ice cream social.

Dance, Dance, Dance

The Sophomores wanted to welcome the Freshman in a very special way. The dance was a chance for everyone to become better acquainted with each other. The Freshman were also taught the traditional Villa Songs. Everyone attending had a great time. Welcome Freshman!

Round Up

The Sophmores got together in an Animal House style to orient the Freshman to Villa Life. The Freshman Sat In antitipation for their event. Some showed off their dancing skillls, while others enjoyed their favorite desert on the floor. Look out for those togas that know how to wrap you up in laughter

Cedar Point

Some of the students packed up and took off for a fun filled day in the sun. This trip was sponsored by Student Council. It was an exciting ride to Cedar Point where everyone chose their favorite ride. Some chose the water, others preferred riding upside down, while many took a relaxing drive through the covered bridge. Time was also taken out to take in some of the shows. As the day drew to an end, everyone could be seen with a smile on their face after an exciting day at Cedar Point.

A Day Away

The Greece And Italy Experience

Home Away From Home?!!!

I wonder if I can get the college chorus booked here next year?

Villa girls meet Greek god.

May 19 was the beginning of the Villa Maria Colleges' interdisciplinary trip to Greece and Italy. The fourteen day excursion began in Greece with the group partaking of the countrys' rich history. The cruise to Italy was enjoyable. While in Italy the group saw the sights of Rome Florence and Vatican City. June 1st finally arrived and the tour departed for J.F.K.,; weary but with many happy memories to share.

Trick Or Treat

Halloween gives everybody a chance to bring out their favorite apparel. Residence Council gave everyone a chance to strut their stuff. Afterwards there was a party with refreshments and dancing. Contests were held for the best costumes in four categories. Trick or Treat!

Hello Beth

We were sorry we had to say good bye to Ted, but Beth wanted to make her own place in our lives. Beth provided us with the chance to get to know her brother. Everyone helped themselves to ice cream and conversation. It was nice just to see all the happy faces.

Yes We Have Spirit

Villa students show their enthusiasm for the Volleyball team during Spirit Day. To cheer the victors, students wore buttons through the day announcing their support. During halftime Student Council had a contest for the student wearing the most Villa Clothes. Alice Miller And Julie Tubbs were chosen most spirited.

Let Us Rejoice

The Christmas season at Villa begins with Christmas in Song and Ceremony. A tri-council event that brings students, faculty and administration to listen to holiday music, supplied by the College Chorus and to enjoy readings which express the holiday meaning.

Angels

Kris Angel Week is a long standing tradition at Villa. It is a week-long event of mysterious packages, anonymous cards, and Santas helpers, sponsored by Residence Council. At the end of the five night gift giving spree, all of Villa gathers at the annual Christmas party, for the exchanging of gifts, laughter and merri-ment.

Working Nine To Five

She works hard for the money.

Student Council minutes . . #*&?/!.

Practice till you're perfect.

I'm a senior and I can do *anything* I want.

We famous people have so little privacy.

CRAM!!

Takin A Break

Too smart to study . . . too cute to care.

Don't you dare.

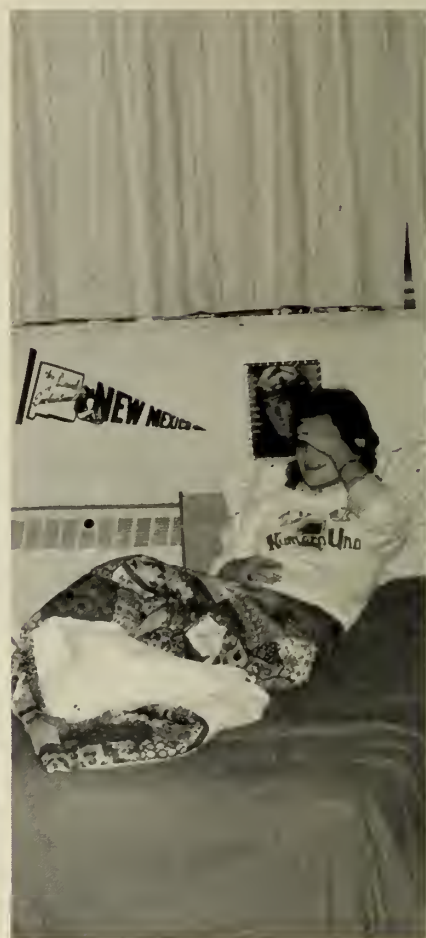

This is my technique for capturing a man.

Villa's motto- Grin and bear it.

Sombody's watching me.

It All Happens Here . . .

The academic complex of Villa Maria College is made up of A'Hearn Hall (the Administration Building), the Academic Building, the Lecture Hall, the Auditorium/Gymnasium, and the Natatorium (Swimming Pool). Completed in 1961, the Academic and Administration Buildings were the first structures on the newly relocated Villa Maria College campus. The Gymnasium and Natatorium were completed in the Fall of 1963. The newest building on campus, the Lecture Hall, was built in 1972. Together, these buildings form the backbone for life at Villa Maria College.
